

The Point du Jour garden

The route described below passes near the "Jardin du Point du Jour".

This site, spanning 7 ha, is full of character and can be visited freely (information: www.pepiniere-jardin.com). It's perfect for a break or pleasant detour during the hike. It consists of an artistically arranged park, a tree nursery featuring decorative and fruit trees, a tea room and a shop selling local products (Brie cheeses, ciders, Brie specialities...).

The park, on the hillside of Le Petit-Morin, has been awarded the "remarkable garden" label by the Ministry of Culture.

It is decorated with plant sculptures and a collection of huts with a surprising layout.
